

## Accelerate Wealth from the Inside Out

### Day 14: Use your Mock-ups for Today's Needs

Where have you been putting your mock-ups on your timeline?

Are your mock-ups out in your future, perhaps three months to a year?

Are there mock-ups for the big life you are generating for yourself?

Have you used your mock-up abilities to fulfill an immediate need?

What have you been mocking up?

You now have the spiritual tool for generating mock-ups. This tool gives you a powerful and effective edge. With it, you are completely capable of living your passionate life filled with joy and freedom. As you hone and develop your skill, you can use this tool as a force for good. Your mock-up tool allows you to clear the obstacles in your way. At the same time you are removing impediments, you are magnetizing wonderful circumstances to yourself with effortless ease.

My habit is to awaken in the early morning, usually around five AM. As I wake up, my thoughts go to praising and thanking God for the day ahead and for my beautiful life. After a few moments of gratitude, I meditate. Starting the day fresh and clear is a gift I give myself.

Starting the day with the mock-up meditation is both energizing and exciting. I know that I can create my day with clear intention by setting my astral space for the preferred results. I have done it many times and have complete confidence in my ability to attract what I need and want at any given moment.

List five mock-ups for today's needs.  
Remember to be clear, simple and concise

Using mock-ups in all realms, both in your big fantastic future and in your daily life, is a fantastic way to shift your reality. If your bank account could use an infusion of funds or your business would really get a jump start with a couple new contracts in place, make a concise, clear and powerful mock-up. It's time for you to get into the flow of magic in the present moment.

You now know how to speak powerfully into your mock-ups. Tell the Universe you are aligned with...

- 10 new clients in the next two weeks
- 5 confirmed printing jobs yielding over \$2,500 each
- \$10k from a Real Estate closing in 14 days

Make the mock-up that is going to support your comfort and joy. Then get your gratitude in high gear. Thank God for everything. Feel the abundance coming in from every direction.

Let's create some miracles!

Come from the place of joy and ease when speaking your mock-ups. When you come from depletion, lack, or neediness, those mock-ups are pretty dead in the water. If you are feeling needy, fuel your mock-ups with 10 statements of gratitude each.

Be playful. Remember to laugh and have fun as you go about your day, knowing that something truly wonderful is on its way to you!
