Guide

NEURON CELL REGENERATION

Pump to reinitiate 100% functions from the blueprint to the physical cell all parts

Membrane

Nucleus

Absorption organelle

Elimination organelle

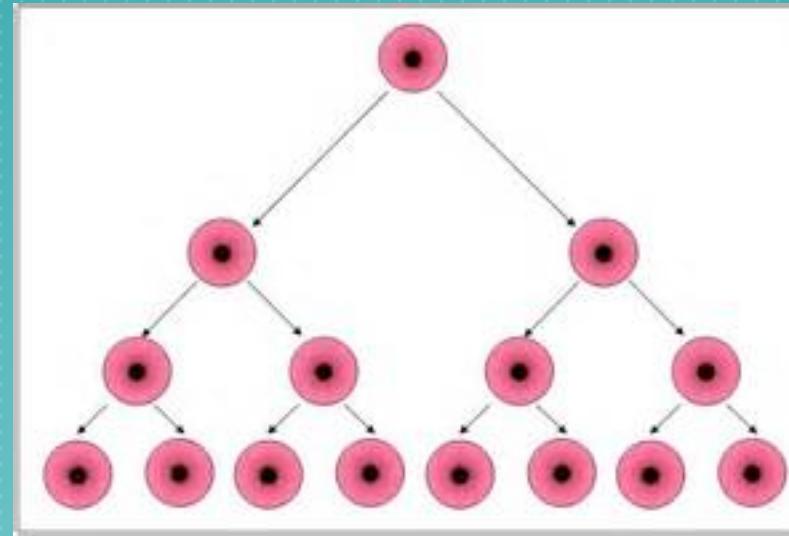

DNA

Mitochondria

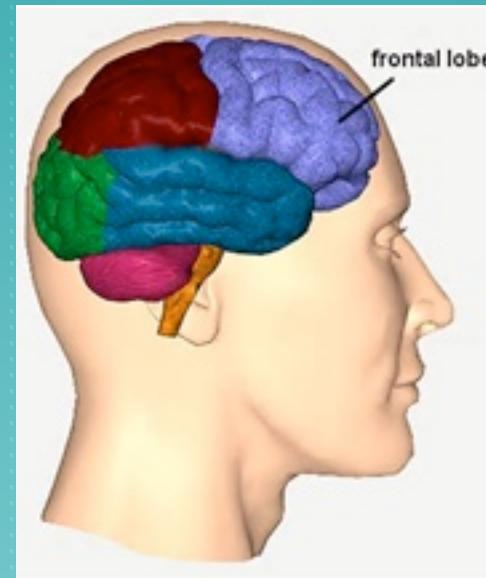

MIRRORING TO SURROUNDING CELLS

CASCADE OF NEW CELL GROWTH

FRONTAL LOBE REGENERATION

NEXT STEPS

1. Continue to do daily pumping for regrowth of healthy nerves neurons and frontal lobe and related issues 30 minutes daily for 7 weeks (if you have nerve issues)
2. Add the outer action routine regular meditation and stress relieving activities,
3. Frontal lobe is involved with sequencing so you could use a program like lumosity to exercise it
