Steps to Improving Vision

Parts one and two

Class One

1. Identify the challenges
2. Clear programs informing the eyes to function at less then 100%
3. Clear spiritual parasites & existing illnesses

Class Two

1. Rejuvenate ~Clear dark energies from vision system
2. Regenerate cellular neo genesis of eyes, optic nerve and visual cortex
3. Apply pink to lenses

Bonus Training

1. Eye Illnesses and anomaly
2. Maintain and Nourish

Quantum Pump and Muscle testing

Cellular Neo Genesis

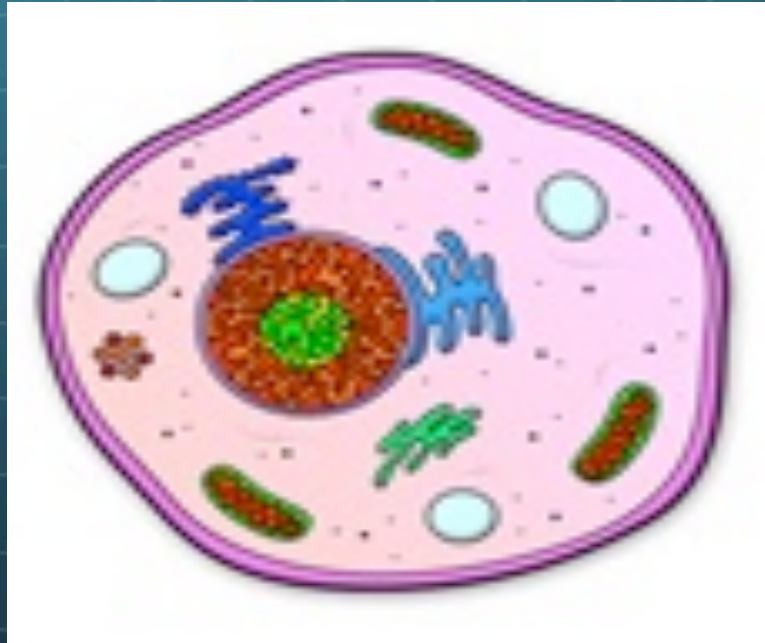

Clear dark energies

-  Eye ball
-  Optic nerve
-  Visual cortex
-  Muscles
-  Skin
-  Ducks
-  Nerves
-  veins

Pump to restore

-  100% to the master cell of all listed areas

Cell Regeneration

**Network of
microtubules**

Microfilaments

Chromosomes (DNA)

Cilia oars

Microvilli

Nucleus

Nuceloli

**Residual
body**

**Digestive
vacuole**

**Pinocytosis
vesicles**

**Transfer
pores**

Ribosomes

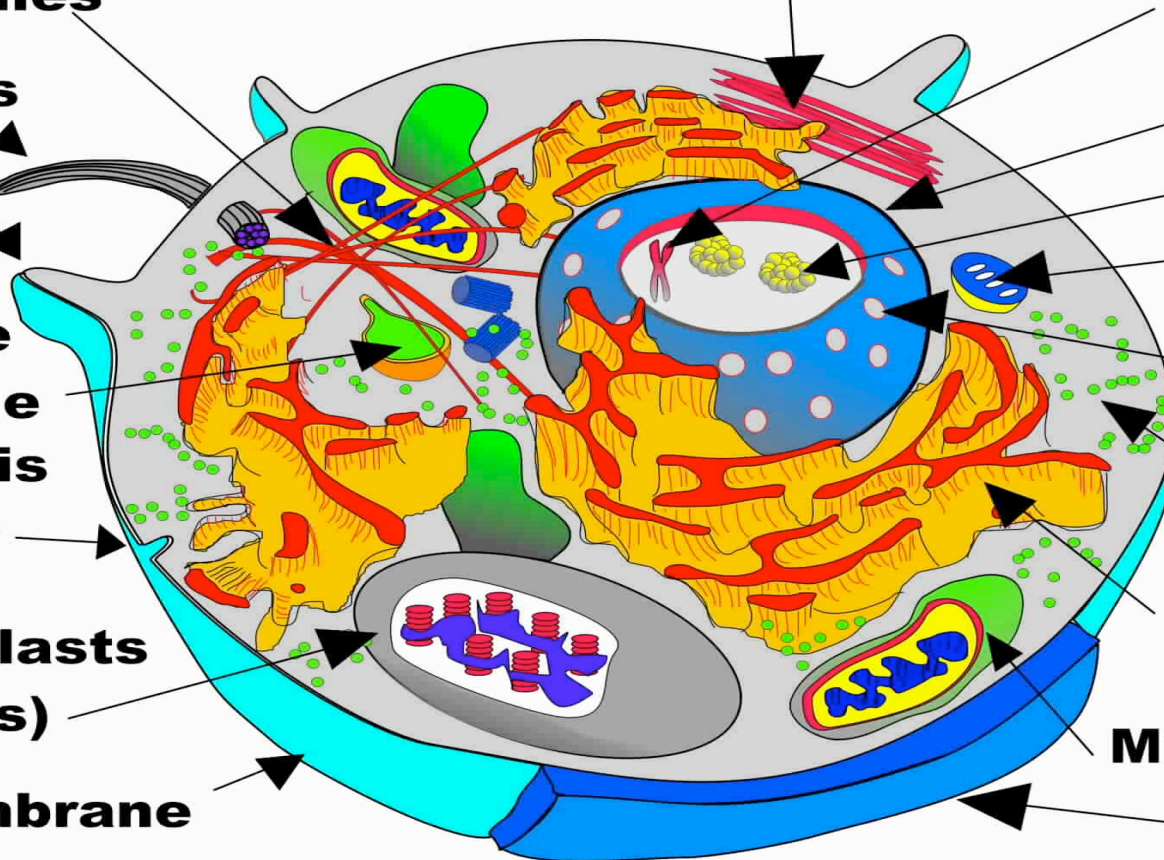

**Chloroplasts
(plants)**

**Endoplasmic
reticulum**

Mitochondria

Cell membrane

Cell wall

Cellular Neo Genesis

100%

-  Eye ball
-  Optic nerve
-  Visual cortex
-  Muscles
-  Skin
-  Ducts
-  Nerves
-  veins

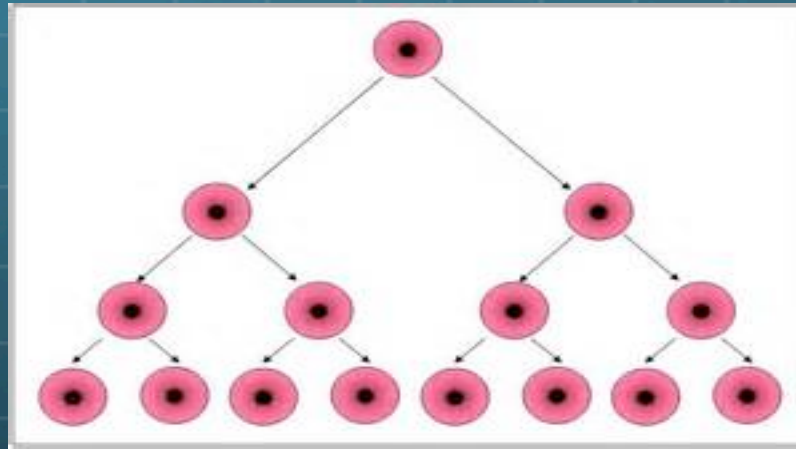

Next step

-  Mirroring
-  Cascade of new cell growth

Mirroring to surrounding cells

Cascade of new cell growth
