Five Brain Regeneration and Nerves. During this retreat we will plow through the removal of degenerative brain and nerve programs and get the master cells and stem cells of the 5 brains on a regenerative path! We will work the survival brain first, followed by the emotional brain, creative, logical and genius brains. The cascade of new cell growth will progress for 180 days as you become more focused and clear as your memory improves and you are able to learn in areas that may have been a challenge or even impossible for you prior to the brain reboot.

# Cell Regeneration

## Cellular Neo Genesis

Revitalization of existing stem cells and the genesis of new stem cells. This technique uses the master cell, the original stem cell for the area being regenerated. This cell holds a great deal of information about how to grow new cells. Using the quantum field and a hand movement called the 'quantum pump' the stem cell is brought to 100%. Cell regeneration is brought about by activating the perfected master cell in the human blueprint: then moving this cell into physical reality. For example one might imagine it as the perfected cell is replacing the old unhealthy cell or the master cell from the blueprint is taking form where no cell currently exists. Medically document regrowth of a failed adrenal and new growth of a surgically removed colon.

# Mirroring to surrounding cells

# Cascade of new cell growth

# A call to lighten

Soft the night and sweet the spirit,  
Gentle voices call our song,  
We are magic we are wonder  
When we live beyond the veil.

Human kind please raise your thoughts  
Bring a plane of peace and love  
We the guardians of the pilgrims  
We the authors of the play.

# Angels Call

Angels call while we are sleeping  
Riding through the waves of dreams  
Keeping safe our mortal bodies  
While we play in astral scenes

Beams of light flow from their bodies  
Showing us a glimmering mirror  
Waking to the world of wonder  
Leaves behind all doubt and fear

# The Stones

The stones they are a calling me  
Echoing through an eternity  
Calling out to set us free  
The power of the stones

At dawn I walked in a circle of stones  
A solar temple to me yet unknown  
Till by the strength of first mornings light  
Shown the power of the Stonehenge stones

They grounded the energy of this place  
And held us together in loving embrace  
While beings of light danced above the space  
Bestowing on us their wisdom and grace

The Avebury stones were laughing at me  
Taunting me tempting me dancing with glee  
Playful stones make love to me  
In the circle of the stones

The heavenly chambers from days of old  
New Grange stones were a circle to behold  
I knelt in prayerful reverence  
For the power of the basin stone

I touched my forehead to the rock  
It filled me with bright light and talk  
Of the ancient people and their ways  
And the spirals of the stones

Stones are everywhere we look  
Medicine wheels and monolithic books  
The wisdom of the circle flows  
In the temple of the stones
