TRAINING 4 HEALTHY NERVES, NEURONS AND GENIUS BRAIN

Neurons, Nerves, Genius Brain (frontal lobe)

Again we look to the brain and neurons in week four as you are trained in the process for both clearing and regenerating the brain nerves.

The frontal lobe is the least accessed area of the brain and is sometimes known as the genius or angelic brain. In this class we reboot your 5th brain to 100% with Cellular Neo Genesis.

HAND MOVEMENTS TO ACCESS THE QUANTUM FIELD

- ▶ Standard Quantum pump
- ▶ Discrete pump for walking or under table
- ▶ Double pump
- ▶ Foot pump

FRONTAL LOBE REGENERATION

NEXT STEPS

1. Continue to do daily pumping for regrowth of healthy nerves neurons and frontal lobe and related issues 30 minutes daily for 7 weeks (if you have nerve issues)
2. Add the outer action routine regular meditation and stress relieving activities,
3. Frontal lobe is involved with sequencing so you could use a program like lumosity to exercise it
