***I am free to live a life of spiritual freedom
and full self expression liberated in love,
gratitude and mastery in this body here &
now.***

My spirit is limitless.

***I am responsible for any limits I experience in
this body and have complete access to the
divine through prayer and contemplation to
release myself from any human bonds I have
worn as spiritual clothing that no longer
resonate with my essence.***

Steps to Improving Vision

One

1. Identify the challenges
2. Clear programs informing the eyes to function at less than 100%
3. Clear spiritual parasites & existing illnesses

Two

1. Rejuvenate ~Clear dark energies from vision system
2. Regenerate cellular neo genesis of eyes, optic nerve and visual cortex
3. Apply pink to lenses

three

1. Eye Illnesses and anomaly
2. Maintain and Nourish
