Year long quantum activations training

# Prayer

*I am free to live a life of spiritual freedom  
and full self expression liberated in love,  
gratitude and mastery in this body here and  
now.*

*My spirit is limitless.*

*I am responsible for any limits I experience in  
this body and have complete access to the  
divine through prayer and contemplation to  
release myself from any human bonds I  
have worn as spiritual clothing that no  
longer resonate with my essence.*
