JULIERENEE.COM

Prayer

I am free to live a life of spiritual freedom and full self expression liberated in love, gratitude and mastery in this body here and now.

My spirit is limitless.

I am responsible for any limits I experience in this body and have complete access to the divine through prayer and contemplation to release myself from any human bonds I have worn as spiritual clothing that no longer resonate with my essence.

ENDOCRINE SYSTEM REBOOT

There are eleven glands and organs that make up the endocrine system and today we will clear and regenerate all parts.

Especially important are the adrenals and the pineal gland for good sleep.

We address the:

pineal, pituitary, hypothalamus, thyroid, parathyroid, thymus, heart, stomach, pancreas, adrenals, liver, ovaries and testicles.

It's a whole heck of a lot to clear and regenerate so we'll be moving rapidly through the processes to get the very best results for you!

2. Make your statement “I have the right permission and ability to” ... or I have a challenge with...Cords”
3. Using left hand pointer finger press down on ring finger between the middle knuckles

How to interpret your answer

If the finger becomes weak that answer is not true or no

If it holds firm it is yes or true

There are some folks who have challenges with muscle testing please take the muscle testing training where we hone in a charts for clearing

Where does muscle testing happen in blueprint? Perception Matter Genesis Embodiment Amplification

Muscle testing also tends to work best when a person is in the love frequency we raise students frequency in classes by clearing away that which is not you and helping you be more fully self expressed

ANGELS CALL

Angels call while we are sleeping
Riding through the waves of dreams
Keeping safe our mortal bodies
While we play in astral scenes

Beams of light flow from their bodies
Showing us a glimmering mirror
Waking to the world of wonder
Leaves behind all doubt and fear

The Stones

The stones they are a calling me
Echoing through an eternity
Calling out to set us free
The power of the stones

At dawn I walked in a circle of stones
A solar temple to me yet unknown
Till by the strength of first mornings light
Shown the power of the Stonehenge stones

They grounded the energy of this place
And held us together in loving embrace
While beings of light danced above the space
Bestowing on us their wisdom and grace

The Avebury stones were laughing at me
Taunting me tempting me dancing with glee
Playful stones make love to me
In the circle of the stones

The heavenly chambers from days of old
New Grange stones were a circle to behold
I knelt in prayerful reverence
For the power of the basin stone

I touched my forehead to the rock
It filled me with bright light and talk
Of the ancient people and their ways
And the spirals of the stones

Stones are everywhere we look
Medicine wheels and monolithic books
The wisdom of the circle flows
In the temple of the stones

Speak Softly Gentle Knight

Speak softly gentle knight
Your kindness to reveal
Hold me in your strong arms
And warm my frozen heart

Tell me of legends old
Of Arthur and his bride
Bring stories back to life
Your gentleness exposed

Speak softly gentle knight
Of honor code and rule
The ways of chivalry
Bring to this century

And when I smile at you
Your eyes alight with mine
Your costume and your ways
Speak true of Gelfad days

BLESSING

May the long time sun shine upon you, all love surround you
May the pure light within you guide your way home! 3x's
.....Guide your way on!
