

What it is **Interferer Immobilizer Template Broadcast Receiver** col 24

Intention of and adverse effects

Dimension **4th**

Location in body **brain stomach plus senses of sound and smell**

Where the technology came from **Pleiadean**

Who is now using it **non-human aliens Pleiadean**

Embedding team – is a **broadcast sent from 4th dimension by the mind of a Pleiadean**

How long has it been in use **147 years**

What it is **Quantum Immobilizer Apparatus** col 5

Intention of and adverse effects **to make a person unable to function to incapacitate with pain and sinus issues**

Dimension **9th**

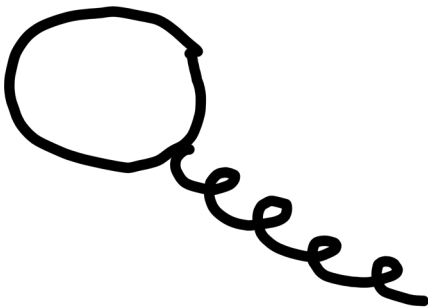

Location in body **behind eyes connects to sinuses**

Where the technology came from **Pleiadean**

Who is now using it **CIA**

Embedding team na

How long has it been in use **9 years**

What it is **Radiation Technology Broadcaster col 3**

using a satellite 20 mile above earth

Intention of and adverse effects **appears as an allergen like an intense hay fever all of the sudden**

Dimension **7th**

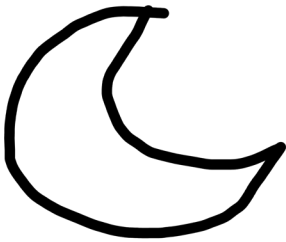

Location in body **sinus**

Where the technology came from **Orion**

Who is now using it **Pentagon**

Embedding team **it is embedded to a previously implanted anchor**

How long has it been in use **14 years**

What it is **Interferer Manipulator Beacon col 4**

Intention of and adverse effects **relay information**

Dimension **2nd**

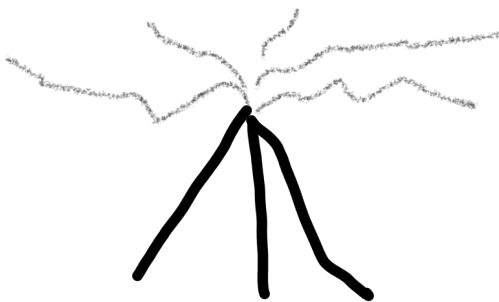

Location in body **throat**

Where the technology came from **Reptoid**

Who is now using it **China**

Embedding team **China**

How long has it been in use **97 years**

What it is **Interferer Manipulator Broadcast Sparkler col 3**
Intention of and adverse effects **overwhelm hearing distract**
Dimension **6th**
Location in body **ears**
Where the technology came from **Orion**
Who is now using it **CIA MK Ultras MI6 used in many countries**
Embedding team **transmitter to something previously embedded q tip**
How long has it been in use **9 years there have been 9 versions 78 years**

What it is **Radiation Appliance col 8**
Intention of and adverse effects **Space holder so consciousness cannot hold the mind**
Dimension **10th dimension**
Location in body **placed by the pineal gland**
Where the technology came from **Pleiadean**
Who is now using it **Branch of CIA**
Embedding team -
How long has it been in use **773 years**

What it is **Quantum Technology Device** col 7

Intention of and adverse effects **reduce clarity of vision force wearing glasses decay**

Dimension **10th dimension**

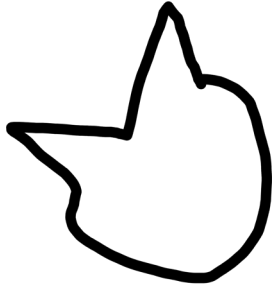

Location in body **in visual cortex**

Where the technology came from **Orion**

Who is now using it **Army**

Embedding team **installed**

How long has it been in use **16 years**

What it is **Interferer Manipulator Template Presence** col 27

Intention of and adverse effects **Directs speech causing speaking mistakes (not stutter)**

Dimension **2nd**

Location in body **below visual cortex**

Where the technology came from **Grays**

Who is now using it **Pentagon**

Embedding team

How long has it been in use **8 years**

What it is **Quantum Immobilizer Template Memory col 3**

Intention of and adverse effects **disrupt short memory**

Dimension **2nd**

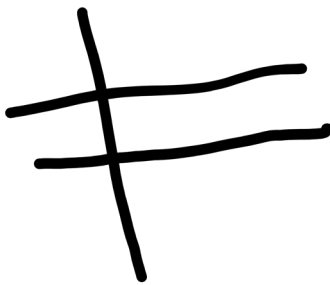

Location in body **center right lower neo cortex**

Where the technology came from **Reptilian**

Who is now using it **CIA**

Embedding team **done with a broadcast**

How long has it been in use **8 years**

What it is **Interferer Manipulator Mechanism col 9**

Intention of and adverse effects **making confusion of time de ja vu causing a sense of dropping and confusion hidden in 5th chakra**

Dimension **12th Space time continuum fabric of time**

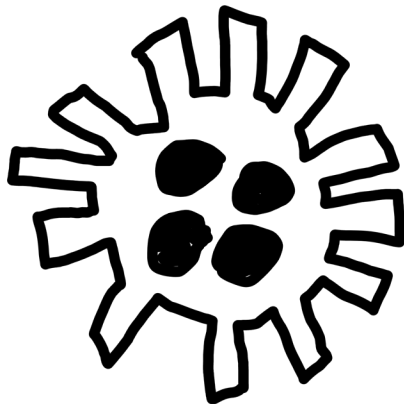

Location in body **throat nerves**

Where the technology came from **Reptoid**

Who is now using it **Pentagon**

Embedding team

How long has it been in use **17 years**

What it is **Quantum Manipulator Mechanism Heart Distress** col 26

Intention of and adverse effects **irregular heart beat nerves**

Dimension **10th dimension**

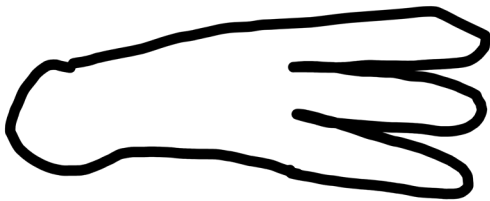

Location in body **heart nerves**

Where the technology came from **Orion**

Who is now using it **Marines**

Embedding team **Quantum Computer**

How long has it been in use **16 years**

What it is **Quantum Tool Template** col 4

Intention of and adverse effects **causes discomfort causes a person to submission**

Dimension **2nd**

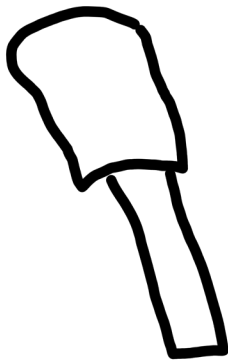

Location in body **brain stem**

Where the technology came from **arachnoid**

Who is now using it **CIA Mkultra, China**

Embedding team **transitions**

How long has it been in use **58 year**

What it is **Interferer Manipulator Targeted col 2**
Intention of and adverse effects **Difficulty with speech pain nerves**
Dimension **5th**
Location in body **condyles of the jaw**
Where the technology came from **Orion**
Who is now using it **Space Force**
Embedding team
How long has it been in use **9 years**

What it is **Quantum Technology Beacon - Temple bolt col 23**
Intention of and adverse effects **Prisoner marking has numbers on it pain in temples**
Logs this life time
Dimension **9th**
Location in body goes from **one temple to the other temple in the brain**
Where the technology came from **Orion**
Who is now using it **CIA FBI DOJ 9 agency's total use this**
Embedding team **Attempting to install with a quantum computer**
How long has it been in use **80 years Government agencies**

What it is **Quantum Manipulator Transmitter Tri Viewer col 3**

Intention of and adverse effects **Made to cause pain and discomfort and Make the mind shut down**

Dimension **11th**

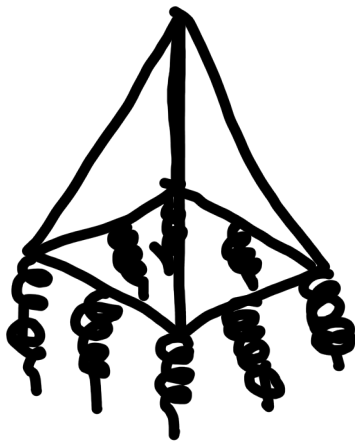

Location in body **Back of brain**

Where the technology came from **Pleiadean**

Who is now using it **FBI Catholic church stated using it**

Embedding team

How long has it been in use **130 years**

What it is **Quantum Appliance Template Anchor Hook col 4**

Intention of and adverse effects **brain hook disruption of brain function difficulty with cognitive function**

Dimension **not in a dimension in realm**

Location in body **brain**

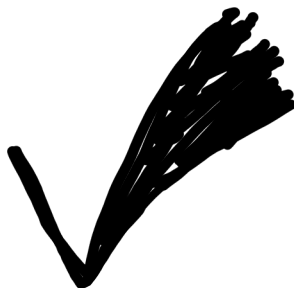

Where the technology came from **Kurs**

Who is now using it **First users Governments on 3 continents Europe, South America, Australia**

Now used throughout the earth God cloud 3 primarily

Embedding team

How long has it been in use **160 years**

What it is **Quantum Appliance Receiver** col 4

Intention of and adverse effects

Dimension **5th**

Location in body **head**

Where the technology came from **Reptoid**

Who is now using it **aliens**

Embedding team

How long has it been in use **1400 years**

What it is **Interferer Manipulator Beacon** col 5

Intention of and adverse effects

Dimension

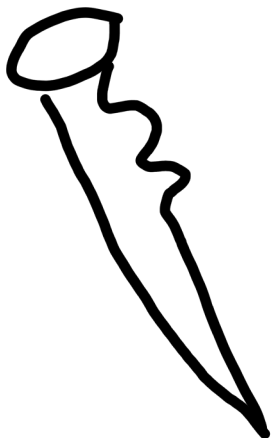

Location in body

Where the technology came from reptilian

Who is now using it branch of CIA

Embedding team

How long has it been in use 8 years

What it is **Quantum Manipulator Template col 3**

Intention of and adverse effects **torture Tinnitus looks like a thistle**

Dimension **3rd**

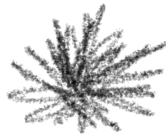

Location in body **high pitch shriek dominating ears**

Where the technology came from **Arachnoid**

Who is now using it **DOJ**

Embedding team **broadcast**

How long has it been in use **9 years**

What it is **Realm Portal Template col 16**

Intention of and adverse effects **allows for remote viewing with astral projection**

Dimension **could be in any dimension**

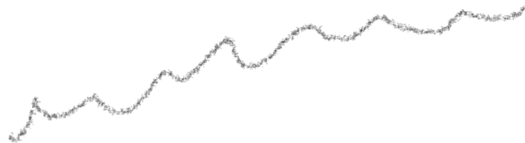

Location in body **head attempting to connect with consciousness**

Where the technology came from **Kurs**

Who is now using it **Pentagon**

Embedding team

How long has it been in use **brand new not fully developed yet**

What it is **Quantum Apparatus Device** col 13

Intention of and adverse effects **Remote viewing discomfort**

Dimension **the dimension you are in**

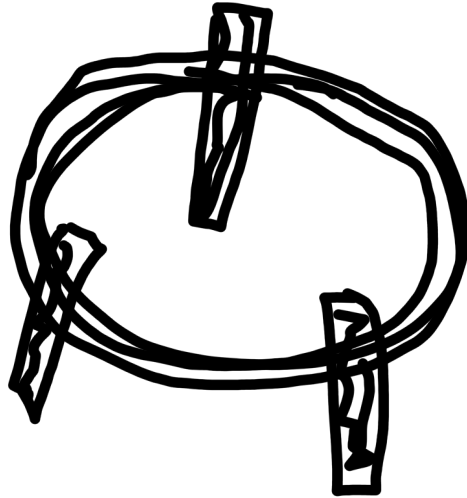

Location in body **brain**

Where the technology came from **Synthetic**

Who is now using it **Pentagon**

Embedding team

How long has it been in use **4 years**

What it is **Quantum Appliance** col 3

Intention of and adverse effects **stimulate anxiety, overwhelm, panic**

Dimension **7th**

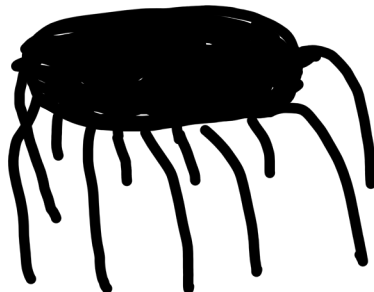

Location in body **brain**

Where the technology came from **Hybrid**

Who is now using it **DOD FBI**

Embedding team

How long has it been in use **83 years**

What it is **Quantum Immobilizer Device Stomach col 8**

Intention of and adverse effects **upper abdomen bloating and indigestion**

Dimension **7th**

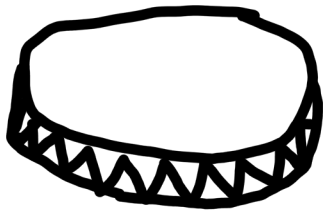

Location in body **top of Stomach**

Where the technology came from **Hybrid**

Who is now using it **Chinese**

Embedding team **Chinese**

How long has it been in use **800 years this version 9 years there are 60 versions**

What it is **Quantum Incapacitator Template Digestive col 2**

Intention of and adverse effects like a parasite living in an environment that is not where it should be, does live off the nutrients meant for the body definitely has a physical element to it can be seen with the physical eye

Dimension **2nd**

Location in body stomach intestines bowel colon

Where the technology came from **Kurs**

Who is now using it **Kurs**

Embedding team **(kurs)**

How long has it been in use **80 years**

What it is **Quantum Immobilizer Appliance-like Grasp col 5**

Intention of and adverse effects **swelling and pain restricted movement inability to grasp or open items handicapping hands making them seriously less effective 8 pins in a circular ring so it is pinned into place**

Dimension **14th**

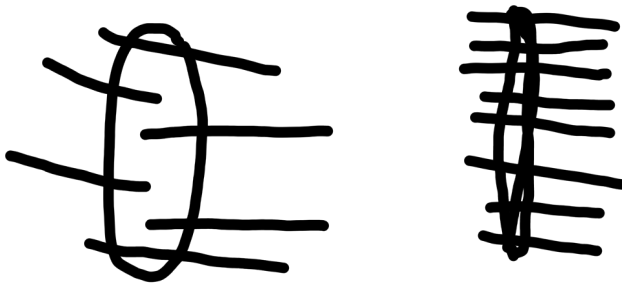

Location in body **fingers and wrist**

Where the technology came from **Reptilian**

Who is now using it **DOD**

Embedding team

How long has it been in use **60 years**

What it is **Quantum Incapacitator Appliance-like Finger Darts col 7**

Intention of and adverse effects **Nerve and joint intense pain maximum is 8 of these darts don't use it on the thumb joints torture device extreme pain closer to the tip of the finger like in the physical world they would torture by pulling out finger nails**

Dimension **not from a dimension – from a realm**

Location in body **finger joints**

Where the technology came from **Hybrid**

Who is now using it **CIA and others**

Embedding team **CIA**

How long has it been in use **4 years**

What it is **Quantum Immobilizer Mechanism Lung col 10**

Intention of and adverse effects **reduced breathing capacity, poor lung performance weakens lungs with breathing demands**

Dimension **13th**

Location in body **Lungs**

Where the technology came from **Synthetics**

Who is now using it **CIA**

Embedding team **CIA**

How long has it been in use **7 years other versions 600 years**

What it is **Quantum Immobilizer Receiver Burden col 9**

Intention of and adverse effects **blocks proper function of organ**

Dimension **8th**

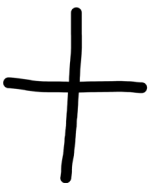

Location in body **lungs pancreas stomach uterus**

Where the technology came from **Hybrid**

Who is now using it **DOD and others**

Embedding team **DOD**

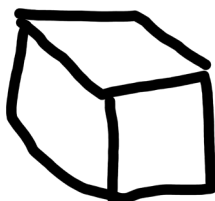

How long has it been in use **this version 80 years other version 11,000**

What it is **Quantum Manipulator Device col 2**
Intention of and adverse effects **Targeting locator**
Dimension **11th**
Location in body **lungs**
Where the technology came from **Reptilian**
Who is now using it **CIA**
Embedding team **CIA**
How long has it been in use **95 years**

What it is **Quantum Immobilizer Apparatus Template Cube col 7**
Intention of and adverse effects **suck out God fire meant to weaken the force you enjoy in the body make you tired feeble**
Dimension **2nd**
Location in body **lungs**
Where the technology came from **Reptoid**
Who is now using it **China**
Embedding team
How long has it been in use **9 years**

What it is **Quantum Appliance Mechanism Spiral col 10**

Intention of and adverse effects **dejavu mechanism**

Dimension – **realm**

Location in body **lungs**

Where the technology came from **Reptoid**

Who is now using it **DOD and others**

Embedding team DOD

How long has it been in use **38 years**

What it is **Interferer Appliance Template col 15**

Intention of and adverse effects Heart Decay of electric function of rhythm irregular

Dimension 8th

Location in body Heart – working muscle

Where it came from Kurs

Who is now using it, human, B40 Hybrid Humanoid

Embedding team deep state

How long has it been in use 138 years

R hm 1hr 50min

What it is **Radiation Tool Transmitter col 18**

Intention of and adverse effects collecting physical information for harvesting for human used as interference

Dimension 8th

Location in body Heart, Liver, Pancreas

Where it came from Reptoid

Who is now using it E8 Hybrid Ashtar BOC

Embedding team Reptoid was established through the chakras doesn't need them to function

How long has it been in use 83 years

Spin 2 hrs 20 min

What it is **Radiation- Interferer Manipulator -Tool Mechanism col 31**

Intention of and adverse effects disruption 70% responsible for decay and aging of the overall body

Dimension 2nd

Location in body Heart where the valves come together , Joints- where bones come together juncture

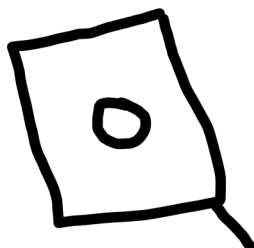

Where it came from Reptilian

Who is now using it Reptilian

Embedding team Deep state

How long has it been in use 39 years

Doorknob 40 min

What it is **Radiation- Interferer Appliance Template col 25**

Intention of and adverse effects removed God fire a small percentage

Dimension 2nd

Location in body Heart, lungs, bronchial, prostate

Where the technology came from Reptoid

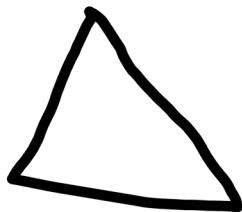

Who is now using it not in use

Embedding team no longer able

How long has it been in use 97 years

Chopping 1 hr 30 min

•

What it is **Interferer Appliance Template col 22**

Intention of and adverse effects Sexual identity disruption, Consciousness Access

Dimension 5th

Location in body Heart

Where it came from AI (This AI originated from reptilian)

Who is now using it AI B8 AI Hybrid CD 7th Mind takeover, A2 Transgender, B36 AI Satan tech

J31 SAIC Science Applications International Corp. AI Serpent CD 7th tech

Embedding team AI

How long has it been in use 37 years

R hm 50 min

What it is **Radiation Appliance Device col 3**

Intention of and adverse effects harms neurons harms or manipulated loves wisdom

Dimension **8th**

Location in body Heart, gallbladder

Where the technology came from Phantom

Who is now using it Phantom, lucifer like being, Serpent

Embedding team phantom

How long has it been in use 7 years

R hm 20 min

What it is **Interferer Portal Template Col 18**

Intention of and adverse effects Lowering love wisdom, chaos, neurons the intellect what holds the wisdom

Dimension **7th**

Location in body Heart, bladder, liver

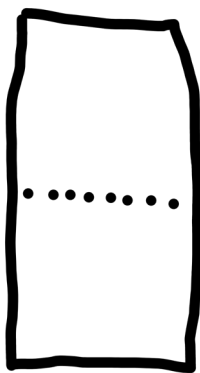

Where the technology came from Synthetic

Who is now using it Synthetic

Embedding team Synthetic

How long has it been in use 9 years

Spin 1 hr 30 min

What it is **Interferer portal template presence col 19**

Intention of and adverse effects Electric beat weakens the beat thready, not be able to live in strength or fulfill Gods purpose for you or love profoundly

Dimension 7th

Location in body Heart pituitary gland

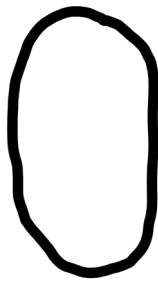

Where the technology came from synthetic

Who is now using it synthetic

Embedding team synthetic

How long has it been in use 18 years

Spin 17 min

What it is **Interferer Appliance Manipulator Template col 36**

Intention of and adverse effects oxygen process reduced oxygen by 30% moving towards the brain depriving the brain of nourishment poor brain function lowers executive function

Dimension 6th

Location in body Heart

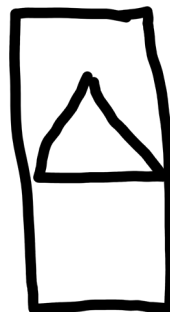

Where the technology came from Hybrid

Who is now using it Hybrid

Embedding team Hybrid

How long has it been in use 8 years

Spin 9 min

_____ need to be added to master chart and list of devices---

What it is: **Interferer tool template in brain 13**

Intention of and adverse effects disrupt neurotransmitter activities deplete neurotransmitters cause them to function poorly diminish or entirely disappear neurotransmitters

Dimension 7th

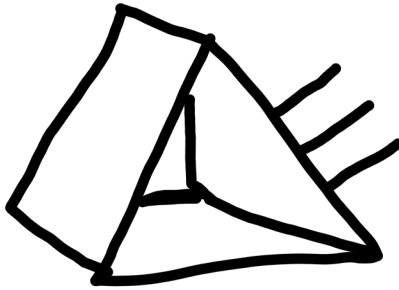

Location in body brain

Where the technology came from Nephilim

Who is now using it pentagon and 4 other agency's

Embedding team as above

How long has it been in use 9 years

What it is **Interferer appliance transmitter-pain 14**

Intention of and adverse effects disconnection with God, Joy, long life

Dimension 7th

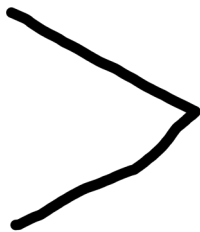

Location in body Heart muscle

Where the technology came from Synthetics

Who is now using it Human and Humanoid -Orion

Embedding team --- absorption – drugs - antibiotic – penicillin

How long has it been in use 8 years

What it is **Interferer portal device pain** 18

Intention of and adverse effects nerves

Dimension **3rd**

Location in body nerves

Where the technology came from Reptoid

Who is now using it Medical associations, AMA

Embedding team pharmaceuticals

How long has it been in use 8 years

What it is **Radiation Interferer portal template pain inflammation** 23

Intention of and adverse effects swelling knees pain inflammation

Dimension **7th**

Location in body knees

Where the technology came from Reptilian

Who is now using it DOD DOT

Embedding team Broadcast system, aerosol

How long has it been in use 120 years

What it is **Realm Apparatus Device low energy 26**

Intention of and adverse effects reduce Godfire vital energy in the body weaken stamina and endurance

Dimension **2nd**

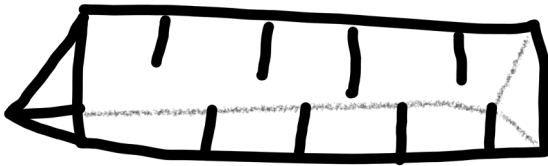

Location in body: in the field surrounding the body

Where the technology came from Kurs

Who is now using it CIA all the MK's 6 other agency's

Embedding team as above

How long has it been in use 9 years

What it is **Radiation Incapacitator transmitter pain 34**

Intention of and adverse effects Dissolve joint structure incapacitate take away ability

Dimension **3rd**

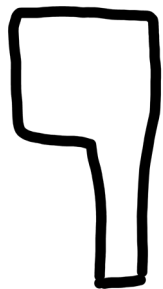

Location in body all joints are susceptible to this

Where the technology came from Synthetics

Who is now using it Synthetics, human laboratories

Embedding team Intentional harm from synthetics to humans

How long has it been in use 90 years

What it is **Interferer appliance transmitter pain** 43

Intention of and adverse effects emotional mental pain suffering

Dimension 4th

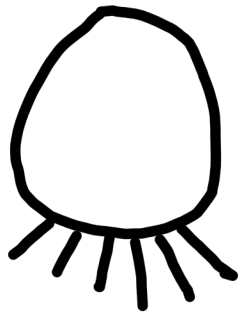

Location in body field around head

Where the technology came from reptilian

Who is now using it Governmental

Embedding team Secret governmental operations something like Abrams tanks

How long has it been in use 9 years

What it is **Interferer Tool Beacon heart** 12

Intention of and adverse effects to frightening

Dimension 8th.

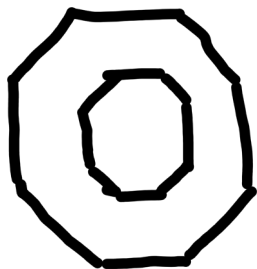

Location in body muscle part of the heart

Where the technology came from reptilian

Who is now using it humans as frequency

Embedding team Some lab

How long has it been in use 17 years

What it is **Realm technology mechanism Nanotech heart 4**

Intention of and adverse effects irregular heartbeat skipped beat cause fear and mistrust of body function an cause death weaken Godfire

Dimension **8th**

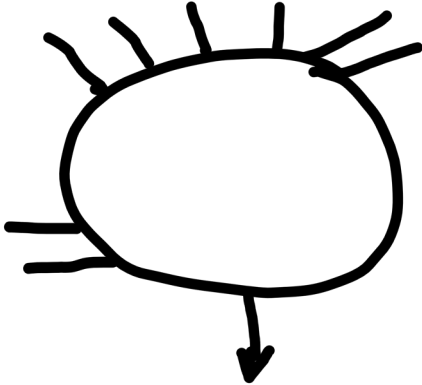

Location in body heart

Where the technology came from Reptoid

Who is now using it science laboratories 5 of them 1 in Russia 3 in Europe 1 in Africa

Embedding team coming through bottom of feet while bathing left behind from shoes

How long has it been in use 5 years

What it is **Interferer tool transmitter heart 33**

Intention of and adverse effects the neurological/brain aspect of the heart , interferes with reception of spirit of truth (Holy Spirit)

Dimension **2nd**

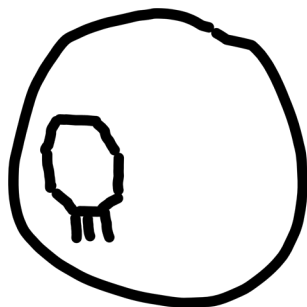

Location in body heart

Where the technology came from Pleiadean

Who is now using it Science labs 6 of them in Europe 3, Africa 3

Embedding team as above

How long has it been in use 9 years

Some lab What it is **Radiation Appliance Manipulator Hearing** 55

Intention of and adverse effects: distract cause mental distress

Dimension **2nd**

Location in body 3 inches outside the head close to ears slightly below

Where the technology came from arachnoid

Who is now using it CIA

Embedding team CIA and 4 more

How long has it been in use 5 yrs 7 months RHM 4 hrs

What it is **Quantum Apparatus Tool Ringer** 33

Intention of and adverse effects Distract subdue suppress

Dimension **4th**

Location in body auditory processor in the brain

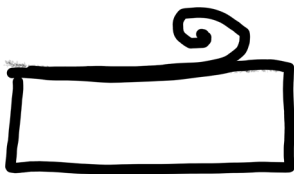

Where the technology came from Arachnoid

Who is now using it global 3 letter agency

Embedding team the above agency

How long has it been in use 27 years ascend 5 hours

Looks like a snake shedding skin can have a layer peel off and a new layer surface

What it is **Quantum Incapacitator transmitter& receiver Covid tinnitus 22**

Intention of and adverse effects Distract, suppress

Dimension **6th**

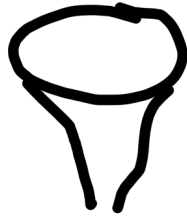

Location in body ears

Where the technology came from Pleiadean

Who is now using it WHO

Embedding team Western Medicine

How long has it been in use 3 years 6 months chopping 6 hrs

What it is **Interferer Tool Beacon heart 32**

Intention of and adverse effects: interferes with strong flow of blood through valves

Dimension **4th**

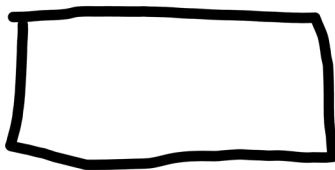

Location in body heart muscle function

Where the technology came from Reptilian

Who is now using it Medical control groups

Embedding team WHO

How long has it been in use: 4 years in this version 60 years in various other versions

What it is **Realm technology mechanism Nanotech heart 9**

Intention of and adverse effects : physical - affects the muscle of the heart destroys muscle strength over time can cause death

Dimension **2nd**

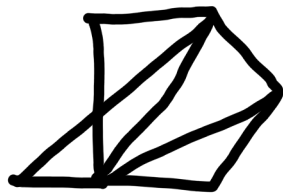

Location in body heart

Where the technology came from Reptilian

Who is now using it NHI WHO CDC and 5 more

Embedding team as above

How long has it been in use 40 years

What it is **Interferer tool transmitter heart 3**

Intention of and adverse effects interferes with God connection feeling and receiving Holy Spirit being able to get answers

Dimension **12th**

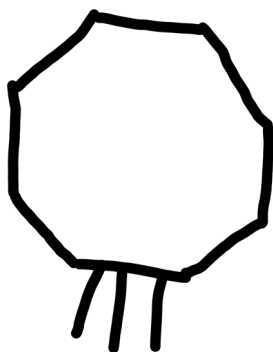

Location in body Heart

Where the technology came from Lucifer

Who is now using it Vatican 4 more

Embedding team as above

How long has it been in use 9 years

What it is **Realm incapacitator beacon Nails 52**

Intention of and adverse effects thin nails bendable prone to breaking becomes more susceptible to fungus

Dimension **12th**

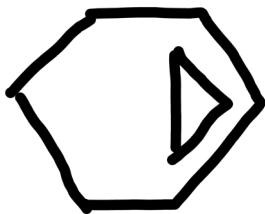

Location in body the nail root or nail bed for both fingers and toes

Where the technology came from arachnoid

Who is now using it Department of torture and 5 additional agency's

Embedding team as above

How long has it been in use 9 years oldest version is 90 years old

What it is: **realm incapacitator beacon nerve 32**

Intention of and adverse effects nerve pain numb feeling odd dead feeling in tissue

Dimension **4th**

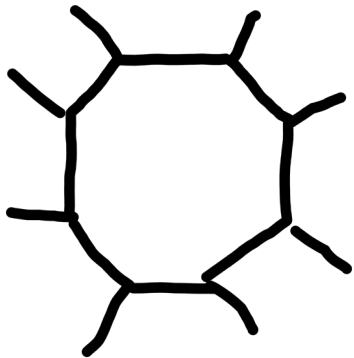

Location in body nerves in fingers, nerves in general

Where the technology came from Hybrid

Who is now using it pentagon 6 other agency's

Embedding team as above

How long has it been in use 16 years 170 years

What it is **realm incapacitator manipulator** skin 7

Intention of and adverse effects wrinkles dryness cracks slow healing

Dimension **7th**

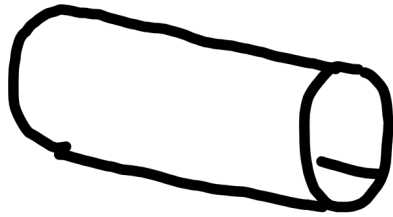

Location in body skin of hands feet elbows shoulders knees

Where the technology came from Reptoid

Who is now using it Government 9 agency's north America 2, Europe 4, Asia 3

Embedding team the governments above

How long has it been in use 4 years 93 years

What it is **realm portal device** finger joints 6

Intention of and adverse effects deforming finger joints eating away of bone

Dimension **4th**

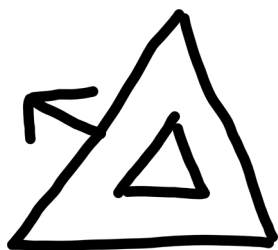

Location in body fingers

Where the technology came from kurs

Who is now using it Department of torture 5 more agencies

Embedding team those above

How long has it been in use 3 years 59 years for oldest version

What it is **quantum portal template 9**

Intention of and adverse effects eating away of the actual joint looks like arthritis

Dimension **3rd**

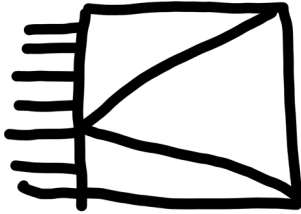

Location in body finger joint

Where the technology came from reptilian

Who is now using it pentagon 9 others

Embedding team as above

How long has it been in use 5 years 86 years for oldest version

What it is **Quantum portal manipulator 33**

Intention of and adverse effects Affect structure of 2nd joint of all 10 fingers causing pain stabbing

Dimension **3rd**

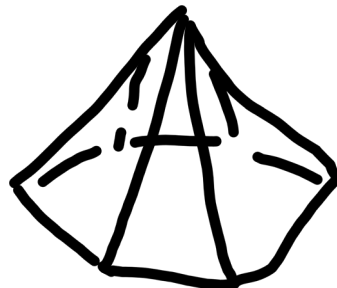

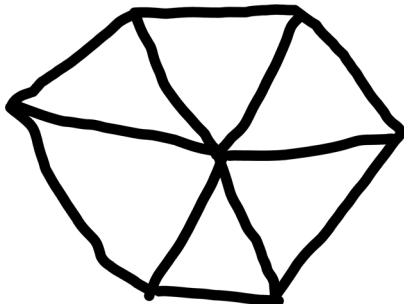

Location in body 2nd finger joint

Where the technology came from arachnoid

Who is now using it Department of torture 8 others

Embedding team as above

How long has it been in use 9 years 67 years

What it is; **Like radiation incapacitator receiver** 43

Intention of and adverse effects dissolve joint

Dimension **5th**

Location in body joints entire body including fingers

Where the technology came from kurs

Who is now using it pentagon 9 others

Embedding team as above

How long has it been in use 6 year longest version 227 years

What it is **realm incapacitator manipulator** 34

Intention of and adverse effects freezes joint makes it immovable

Dimension **6th**

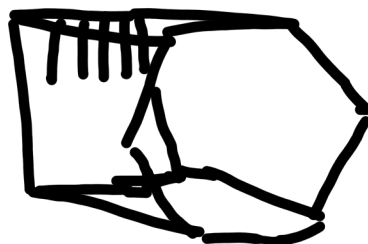

Location in body hands wrists shoulder finger joints spin

Where the technology came from Reptoid

Who is now using it CIA 8 others

Embedding team as above

How long has it been in use 9 years oldest version 124 years

What it is Interferer apparatus transmitter 26

Intention of and adverse effects affects both male and female confuses the priority of sex as love prevents partnership as it sidetracks the sex only no commitment

Dimension **10th**

Location in body brain in the frontal lobe area

Where the technology came from reptilian

Who is now using it reptilian (r hm)

Embedding team reptilian 9

How long has it been in use more than 3000 years

9 devices affecting hair

What it is **interferer apparatus device color decay**

Intention of and adverse effects down grades hair color to grey silver white

Dimension **4th**

Location in body implant supervisor put programing in to DNA like a timeline clock of shifts start ticking at age 10

Where the technology came from Kurs

Who is now using it is just part of the human experience now

Embedding team implant supervisor

How long has it been in use 40,000 years

Side slide 6 hours

What it is **Interferer portal device Hair thinning**

Intention of and adverse effects hair thinning causing one to grow significantly less hair related to aging and decay

Dimension **7th**

Location in body scalp

Where the technology came from Reptilian

Who is now using it just is the human experience

Embedding team part of some form of life line timeline associated with the body

How long has it been in use 8000 years

Chopping 8 hours

What it is **interferer manipulator beacon thin hair shaft**

Intention of and adverse effects hair shaft is made to be thin

Dimension **12th**

Location in body situated in the auric field

Where the technology came from this is a directive not a technology phantom

Who is now using it part of the human experience

Embedding team none though we are the beacon looks a bit like a group mind virus

How long has it been in use 1300 years

Ascend 2 hrs

What it is **radiation appliance beacon scalp**

Intention of and adverse effects scalp rejecting hair growth scalp would not be fertile for hair growth

Dimension **2nd**

Location in body DNA and timeline thing with aging body

Where the technology came from serpent beacon in this case is also a receiver a broadcast sent from outer space

Who is now using it serpent

Embedding team serpent

How long has it been in use 700 years

Rev halfmoon 6 hours
