

Father, Son, and Holy Spirit, we call upon Your glorious, miraculous name. In the name of the Father, in the name of the Son, in the name of the Holy One, the Holy One, the Holy Spirit, we call upon You.

We glorify and bless and praise Your holy name. In the name again, in the name of the Father, the Creator, the One who is, has always been, and always will be. In the name of the Son, who has come to walk among us, has suffered and died for us, who has pointed the way to heaven, to returning to heaven. And in the name of the Holy Ghost, the Holy Spirit, the Comforter, the Wisdom and Blessor, the companion, the aspect of God that is companion to us.

We call upon Your holy names. We thank You. We worship. We glorify and honor You. We cherish and respect You. We fear You in a way of awe and wonder. We fear You in awe and wonder. We know that what You say is true. We know that You are faithful and true to us. And we seek to restore Your creation, God, with whatever guidance You give us, whichever direction You give us. Wherever You point us, that is where we will go.

We thank You. We thank You. We glorify and thank Your holy name. We praise You. We praise You and glorify You. Thank You. Thank You, God. Thank You.

God, we seek to end witches, wizards, and sorcery. We seek to end the evil of the corrupted and fallen angels who have contaminated the human race and who have harmed us with spell casting, spell binding, spell embedding, complex spell casting, embedding, and binding, and all cursing, all evil that they brought in, these fallen and corrupted angels, these things that turned into demonic, satanic devils, evil sons of God that are corrupted and fallen.

We seek to end the evil and the controls that were given to them, that they took, that they stole from heaven, the controls of spell binding and spell casting. We seek to incinerate it. We seek to incinerate the books of reference that they use and their knowledge and wisdom of how to use it, so their memory of using spell casting, spell bindings, spell embedding, complex cursing, all the different ways that they had this access to this power, that was heavenly information turned corrupt.

We seek to end that today. We ask for Your power, Your countenance on Your face, Your eyes upon us, God, as we do Your will, as we follow the work that You have presented us to do. We ask that You put Your strong hand on us, Your strong arm on us, and that You bless our work and, beyond that, utterly destroy the evil, utterly and completely, utterly destroy evil on the human experience in the God-created realm.

We know that You created every single thing and that corruption has happened, and once corrupt, it corrupts other things, and other things are corrupted. But God, we also know that everything is able to be stopped because You created it and because we have that kind of power because we are part of Your pure creation and we have power over evil. Good always has power over evil, and we claim that power today as we seek to do Your will, to incinerate evil, to take

evil off both the planet, out of the firmament, out of heavenly realms, out of the high mountains and high places, and even from underground.

And we really, we ask for empowerment, God. We seek a kind of strength that we've never known before to defeat that evil that troubles us, that curses us, that embeds us with spells. We seek the end, the completion, the finality, the end.

We seek to actually end those witches that are hiding out in CERN. Yeah, we can see them. We seek to end the constructs of witchcraft. We just are asking God in the most massive way to take the evil of witchcraft out of popularity, off of social media, out of the movie industry, this spell casting, this evil, and out of the programming of the public schools, out of the programming of early children's cartoons, out of books. It just, it has no use. We have no use for it. We seek to incinerate and end witchcraft, wizardry, and sorcery, and the evil that brought it here.

Thank You, God. Thank You for hearing our prayer. We worship, adore, glorify Your holy name, and we thank You. We thank You for all the miracles that You presented for us. We thank You for pulling things together, reports, and we ask that we be heard, that we be a light in the world, in the CPS system, in the court system, in the bar system, in the Department of Family and Protective Services, in CASA.

Every way that we need to be heard, let us be a beacon of light and let there be a retribution from false bearing, false witness, false testimony, deceit. Let that ring out Your truth today and in all the days in the near future where we are doing Your work and doing what You put in front of us to do and making the way safer for people who come after us.

Thank You. Thank You, God. We feel Your presence. We feel Your love. We worship with the holies who surround You in the highest heaven, in Abernathy, and You are in the 10th heaven, and we're looking up to Your grand throne, and we see this beautiful icy blue sea of crystal. We fall on our knees with the holies, with golden crowns, golden scepters on golden thrones, and we are on our knees and our heads to the floor, bowed to You, singing:

Holy, holy, holy, Lord, Lord God Most High.
Heaven and earth are full of Your glory.

We see the angels, tens of thousands of cherubim and seraphim and the beautiful divine beings in their balls of fire, these beautiful creatures all around You, these beautiful angels all around You.

We see the stairways filled with the legions of the armies that support the heavenly realms. We see Archangel Michael at the head, and we see the beauty of the archangels. We see the extraordinary qualities of the cherubim and the seraphim in their holy state. We hear the choir of angels singing, and we are so honored to be part of this journey in heaven and on earth.

Let Your will be done both in heaven and here on earth, and let us be the vessel, the vehicle, the instrument of Your will.

Thank You, God. Thank You, God.

Hallelujah. Hallelujah. Amen and amen.
