

Prayer of the Week

Special Ops Strike Force - September 17, 2026

Father, Son, and Holy Spirit, we glorify and praise your Holy Name.

We thank you for the joy that you bring to us, for the celebration of life that you bring to us. We thank you for the opportunities to defeat evil in all the ways that we're given the opportunity. We thank you for the physical opportunities to defeat evil. We're thankful for the energetic ways, the quantum ways that we defeat evil, the prayerful ways that we defeat evil.

We thank you, God. We thank you for this great opportunity to be of service to you. We surrender our lives to you in this service and we ask that you use us and amplify our power for good.

And we also ask, God, that this be a transitional turning point of joy for us. That there be an experience of more joy in the sanctification and anointing experience of fighting evil.

We thank you for the examples in scripture of the beautiful, divine, angelic, young men that appear throughout the Bible that are apparent angels, divine angels who appear as beautiful, otherworldly men that do battle on earth. And we are delighted to join the ranks of those who do battle.

Thank you, God, for allowing, encouraging, welcoming those in female bodies. I know these warriors are always in male bodies. We thank you for the power that you've given all of these females in this community to really push through and destroy that which harms humanity, that which harms your creation.

We pray for a clear path both to the communications with the president and his wife, as well as a clear path possibly to filing an appeal in a higher court to show the world, make it a very loud via squeaky wheel about the harm being done through Department of Family Protective Services, CPS, CASA, the long SJRC, all of those evil organizations that are run by demonic witchcraft, wizard, sorcery, evil, evil, evil.

Thank you for giving us this opportunity to push through.

Also, thank you, God, for giving me the inklings to start thinking about bringing a file, a lawsuit, or a suit of some kind or complaint with the state board against the hospital and doctor. And we just ask that you empower me and show me what needs to be done and empower us as a community and show us what needs to be done.

We know that there is an act of assault on every anything I try. So I thank you for being present with us, God, and for helping us.

And also, God, for the things that are already filed for the bar complaint, we ask that that actually have a consequence for the lawyer and for the judge, and also the perjury charges for a consequence for the lawyer, the caseworker, and the videographer person, that there be a severe consequence and that there be a consequence for the person that filed the harassment case, even though the case is not being pursued because of CPS restrictions, we're asking that there be spiritual consequences for that person.

And that anyone who is defying to stop me and the work that we are doing in this academy, we ask that there be retribution and that there be consequences. We see that in scripture, we see that all the time, that you protect those who are fighting the good fight for you.

And we are completely in that fight in service, listening, obeying, being obedient to your goodness and to your word.

We glorify you and we praise your holy name. We thank you unendingly for the opportunities you give us.

We join with the holies on our knees, with our heads bowed and singing:

Holy, holy, holy, Lord God, most high, heaven and earth are full of your glory. Hosanna in the highest.

Heaven and earth are full of your glory. Hosanna, Hosanna, Hosanna.
