

YEAR of Miracles The Energy Body

Chakras, Aura, Golden Rings, Human Access Portal
January 2017 ~ JulieRenee.com

*I am free to live a life of spiritual freedom
and full self expression liberated in love,
gratitude and mastery in this body here
and now.*

My spirit is limitless.

*I am responsible for any limits I
experience in this body and have
complete access to the divine through
prayer and contemplation to release
myself from any human bonds I have
worn as spiritual clothing that no longer
resonate with my essence.*

Angels Call

Angels call while we are sleeping
Riding through the waves of dreams
Keeping safe our mortal bodies
While we play in astral scenes

Beams of light flow from their bodies
Showing us a glimmering mirror
Waking to the world of wonder
Leaves behind all doubt and fear

Angels and Innocence

Angels and Innocence
Time racing by
Babies and mothers
Hope in their eyes

Honest and open
Hearts flowing free
Find me a spirit
floating in glee

Life is a mystery
Passions a chance
And all are meant to be
Part of this dance

Gather Your Children

Gather your children oh mommies today
And bind them close to you and love them I pray
And give them your heart your time and your ways

Singing oh bonnie mommies I love you this way

Give them the confidence the care and the play
Talk to them daily about their new world
And share with them light from the mystical planes

Singing oh bonnie mommies
I love you this way!

A call to lighten

Soft the night and sweet the spirit,
Gentle voices call our song,
We are magic we are wonder
When we live beyond the veil.

Human kind please raise your thoughts
Bring a plane of peace and love
We the guardians of the pilgrims
We the authors of the play.

The Stones

The stones they are calling me
Echoing through an eternity
Calling out to set us free
The power of the stones

At dawn I walked in a circle of stones
A solar temple to me yet unknown
Till by the strength of first mornings light
Shown the power of the Stonehenge stones

They grounded the energy of this place
And held us together in loving embrace
While beings of light danced above the space
Bestowing on us their wisdom and grace

The Avebury stones were laughing at me
Taunting me tempting me dancing with glee
Playful stones make love to me
In the circle of the stones

The heavenly chambers from days of old
New Grange stones were a circle to behold
I knelt in prayerful reverence
For the power of the basin stone

I touched my forehead to the rock
It filled me with bright light and talk
Of the ancient people and their ways
And the spirals of the stones

Stones are everywhere we look
Medicine wheels and monolithic books
The wisdom of the circle flows
In the temple of the stones
