<p>ITP Pump/flutter (inner thigh pump) This is a mild version of the quantum pump with arm up. The inner thigh pump has either hand expanding and contracting in towards the knee, between the two legs while the fore arm is resting on the thigh Back of the hand is facing up to the sky or if you are using the inner thigh flutter forearm resting on thigh while hand on inside of leg is fluttering Quantum Shift for the Pump is created with the movement of the up part of the fingers moving, like when they are more contracted in</p>	<p>Artificial intelligence Anchors Frequencies (chakras)</p>	<p>Essence Matter Energy Genesis Quantum</p>
<p>Foot pump One or both feet can do this while sitting. Gently lift one foot and with the ankle contracted toes up then extend the foot down return lifting the foot back towards the shin Use one or both feet. Heal should be off the floor a crossed leg makes this easier to accomplish Quantum Transformation happens on the up - lifting of the toes towards the sky</p>	<p>Brands Realms Prophecy Artificial intelligence Anchors Human as interference Interfering colors Spiritual interference Transmissions Frequencies (Chakras, DNA)</p>	<p>Essence Energy Genesis Amplification</p>

<p>Doorknob Always only one handed, best choice right hand. Hand up about shoulder level palm facing out to the world fingers curled in as if to wrap around a doorknob than turn hand in with palm facing towards your body continue to have fingers curled in Remember NEVER 2 hands it cancels out what you are doing. Shift is on the out part of the movement</p>	<p>Spiritual interferences Artificial intelligence Domination field (DNA)</p>	<p>Matter Quantum Amplification</p>
<p>Basic Quantum Pump Typically using the right hand (this is one handed) bend the elbow and bring the hand in front of the right shoulder about 6-10 inches out in front. Thumb facing up to the sky, pinky finger facing parallel down to the ground, allow the hand and fingers to be loose, with a gentle rock forward and back. Movement caused from the elbow. Shift in the field is on the up swing</p>	<p>Regeneration</p>	<p>Essence Energy Genesis Quantum Amplification</p>
<p>Double Pump Using the same technique as the single pump lift both hands facing in towards each other to shoulder height 8-10 inches away from shoulder I like to alternate pump, however it is also effective to do both hands pumping at the same time. Remember loose fingers. Movement is from the elbow. Shift is on the upswing</p>	<p>Regeneration</p>	<p>Essence Energy Genesis Amplification</p>
