Father, Son, and Holy Spirit, we glorify and praise your holy name. We thank you for all the miracles in our life. We thank you for our birth, sexuality, the who we are, how we've come in, the power that you've given us. We thank you for the alignment that we continue to seek with you. We thank you for your gift of opening to us. We thank you for this quickening in all areas. We thank you for the way that we walk in life. We thank you for our beauty.

We thank you for the acknowledgement of our beauty from others. We thank you for those moments when we are recognized as ordained women of God. We glorify you and we praise you. We ask you to help us in our journey. We ask God that you help with the resolution of the DFPS and CPS

assault on my reputation. We ask that you help getting the sheriff to add the details of my record into the felony charge case that was open 14 months ago.

We ask that you make very clear to me today as I began working on the medical, lack of medical knowledge, abuse, and neglect to the hospital and directed much towards the doctor and that there be a resolution that is wonderful on the child support, which looks like a breaking of the law, but legal, but ordered through the courts. So we thank you for showing us and then also on the constitutional violation case.

So just help us keep all the balls in the air, help me not lose momentum, help quicken the pace in getting things done. And then God, we ask that you take evil out of the school system and that Henry have a smooth and easy two years of preschool while working in special education without being assaulted on many demonic and evil concepts that are taught in schools.

I pray for each person here because each person comes with their own needs and their own hearts intention, soul intention on both sensuality and sexuality. And we ask that everybody have their needs, their intentions, what will help them the most in this session. I ask that you work in each heart and soul, in each cellular structure, in each mind to deliver the most outstanding and wonderful results for each person.

We thank you so much for all the people who come into the One-to-One Transformation Program and ask that every person who is participating and has participated gets the miracles that are available to them and beyond that, that your grace and your mercy flow to them. We thank you so much for answering our prayers. We thank you for the prayers that are already answered and we thank you for the prayers that are yet to have an answer.

We thank you for the ability to give us wisdom, knowledge and understanding, to give us patience knowing that some answers will come rapidly and some answers may come after there is a passing away. We ask that if we are in and we believe we are in the end times that your hand of loving mercy, your countenance, your eyes are upon us, your strong arm fuels our forward movement, that your ever-present love is continually with us.

And when we forget to call out to you, put a tickle in our heart and mind to reach out and call to you when we need help. And we ask for your mercy and your continual grace that continues to roll out in front of us. God, you are before us. You are behind us. You are to the right and left of us. You are

above us and below us. You are the creator of us. And we exist because of you. And from that existence, we are so profoundly grateful. We glorify and exalt your holy name. We exalt you to the highest.

We sing Alleluia and praises and hallow and make holy your name. Alleluia, Alleluia, Alleluia, Alleluia, Alleluia, holy, holy, holy, holy Lord God most high, heaven and earth are full of your glory. Hosanna, hosanna in the highest, hosanna in the highest. Amen, Amen, Amen.
